Trademark Usage Guidelines

Connect. Influence. Optimize.

Usage Guidelines

Minimum Size

Must not appear smaller than 1/2 of an inch in height.

Color Printing

If printed in color must adhere to the following:

Blue = 100% Cyan

Black = 100% Black

Clear-Space

The ECIA member trademark should never have to compete visually with other graphical elements. Minimum clear-space has been established. Clear-space (1/2 X) is equal to half the height of the ECIA member trademark (see diagram). It is strongly suggested that this clear-space is always maintained; however, there are instances (i.e. like multiple trademarks in a sponsorship environment) where less space would be appropriate. Clear-space is always relative to the size of the ECIA member trademark.

Usage Disclaimer

The ECIA trademark and ECIA member trademark (logos) are registered trademarks of the Electronic Components Industry Association, Inc. (ECIA). ECIA retains all interests, rights and ownership of the trademarks (also referred to as a logos). Unauthorized use is prohibited without specific, written permission of ECIA.

ECIA grants permission to distributor, manufacturer and manufacturers' representative firm members of the association to use the appropriate member trademark for the sole purpose of indicating membership in the association. The member trademark, or any other ECIA trademark, may not be used to indicate endorsement or approval by ECIA of the member. The member trademark may be used in digital and print format in accordance with the ECIA style and usage guides. The trademark may not be altered or modified without written permission from ECIA. The trademark must be immediately removed from all digital and printed material when your membership terminates or expires.

This member trademark is meant to replace all older versions of the ECIA trademark as well as any NEDA or ECA trademark. Therefore please remove any older versions and replace them with this member trademark.

Associates are not members of the association and cannot use any ECIA member trademark in any manner.
