Anthony J. Morrone, Cozen O'Connor, Attorney, [Bio. Link](#)
Philip T. Carrol, Cozen O'Connor, Attorney, [Bio. link](#)

Summary: Attorney Anthony Morrone and Investigator Jason Mardirosian combine various legal and practical aspects of fire and explosion investigations, including both public and private investigative legal points of view, procedural points for conducting successful forensic scene examinations, testifying to findings, and proper presentations in court. Additionally, their program will also cover several steps of civil fire and explosion litigation incorporating the NFPA 921 Scientific Method.
