

TRAINING & EDUCATION

Match your FireArson.com & CFITrainer.net logins

To access the IAAI Live Virtual Events on CFITrainer.net, you need to make sure the logins for each system are the same.

This is a quick guide to how to make sure they match.

Do they match?

1. Login to your account at [FireArson.com](https://www.firearson.com)
2. If your accounts match, you will see your CFITrainer.net information in the far right column.
3. If they match, you are ready to participate in the IAAI Live Virtual Trainings.

If they do not match...

1. If your accounts do not match, you will see the filler content about CFITrainer.net.
2. You might need to *create* your CFITrainer.net account.
OR
You might need to *update* your CFITrainer.net account.
3. Read through this document or click below on which options on what you need to do next.

Double check your firearson.com email

Before you create a CFITrainer.net account, double check your FireArson.com email information.

1. Go to FireArson.com and log-in to your account (top left corner of the page)
2. Once logged in, click "Access My Profile" (again in the top left corner)
3. On the profile, you will see the "My Profile" box, as pictured on the right. That box shows you the login email you use for FireArson.com. For most people it is your email address.
4. You can now go to CFITrainer.net and create your account.
