

RBSM KNOWLEDGE REVIEW

MAINTAINING REGISTRATION

Each Registered Building Service Manager (RBSM) is required to submit a completed “Knowledge Review” examination every two years to maintain the RBSM designation. All RBSM renewal candidates must complete the knowledge review and payment no later than June 30, 2022 to maintain their designation.

LIFETIME REGISTRATION

A RBSM who has reached the age of sixty-two *and* have renewed their designation at least three times is registered for life. For example, someone who became certified in 2014 and recertified in the years 2016, 2018, and 2020, *and* has reached the age of sixty-two, would be eligible for lifetime certification in 2022. No further reporting, examining or payment is required except to initially notify the Certification Department in writing of meeting the age requirement to certification@bscai.org by June 30, 2022.

It is the responsibility of the RBSM designee to ensure that he or she meets the June 30 deadline and completes all the re-registration requirements.
