Hear from Our Customers

“Our HOA required a loan to complete repairs related to Hurricane Florence. We attempted to work with more than 5 lending institutions prior to Popular Association Banking. PAB was the only bank willing to work with us while we navigated some unusual property-related circumstances. Working with Kelly Doherty Mucci was a pleasure. She directed us through the process, and it was seamless. We were able to choose from a line of credit or a traditional term loan; Kelly worked closely with us during our analysis of the options, and she was both professional and knowledgeable. We highly recommend Popular Association Banking—they were invaluable to us.”

“I have been working with Popular Association Banking and Rebecca Prieto since 2018. Rebecca has provided us with excellent customer service, and particularly, the first year that we announced a large assessment, she agreed to be present during the Association Meeting. This was a difficult task in itself, but she showed extreme professionalism throughout the meeting. She is always available to speak with me each time I reach out to her. She is a trustworthy partner, and we look forward to a continued working relationship with Popular Association Banking and specifically with Rebecca.”

“On behalf of The Meridian Condominium’s Board of Directors, we were delighted to secure a loan from Popular Association Banking (PAB) to get us through several large projects. Charles Dozer is the most ideal customer service champion that I have ever met. Throughout the loan process, he has been there for me, providing all needed information promptly, and welcoming my inquiries with patience, kindness, and interest. Bottom line, Charles is the best! I am also impressed with the kindness and efficiency of others at PAB, even though I was not always in direct contact with them. I am a very satisfied customer and will be sure to recommend PAB to anyone who is in a similar position as the Meridian.”
