

We answer the phone.

We follow through. We treat your community like it's ours.

COMUNEO Services Inc. has managed California HOAs since 1984. Our people-first approach blends real human service with modern tools, so boards and homeowners always get answers. Whether you lead a single-family community, condo, townhome, or high-rise board, we partner with you to protect your property, time, and peace of mind.

01

Proactive Communication

Real people pick up the phone. We follow up before you have to.

02

Transparent Practices

Minutes, financials, and governing docs accessible online to all. No smoke, no mirrors.

03

Human Touch, Modern Tools

Agentic AI cuts the busywork — so our team focuses on people, not paperwork.
