A Strategic 24/7 Emergency Response Partner

All County offers all of the environmental & emergency response services to tackle any immediate response situation.

We are a full service insurance repair restoration contractor serving all of Southern California 24/7. Whether you have water, fire, mold, or construction damage, All County is the only call you will need to make. We pride ourselves on communication and reliability along with superior craftsmanship.

Covid-19 preparedness – we follow all safety protocols and are trained & licensed for disinfection.

WHO WE SERVE

INSURANCE We will make sure your claim is represented accurately so you can get your home or business back to its pre-loss condition as soon as possible.

RESIDENTIAL Our immediate response will include a detailed report of the event, photos and a complete scope of work to provide to your insurance carrier.

COMMERCIAL Our commercial technicians provide emergency disaster restoration services and response on a 24/7 basis for our full range of services.

PROPERTY MGMT. We are a one stop shop to all property managers, condo HOA's, hotels, schools, & hospitals to provide immediate response.

MUNICIPALITIES We have built a proud reputation with local and state municipalities due to our high level emergency response tactics employed during disasters.

PLUMBERS We work with plumbers on a regular basis to remediate and abate mold, lead and asbestos as well as do dry outs and sewage removal.

ALL COUNTY ENVIRONMENTAL & RESTORATION SERVICES

All County is more than just an experienced contractor. We have the knowledge and expertise to provide safe, quick, and cost-effective restoration and remediation to properties damaged by flood, fire, or other catastrophes. We're also a full-service repair, restoration, abatement and clean-up company, that can help keep your office or workplace safe, healthy, and free of environmental contaminants. Our 24hour emergency response team is always on stand-by and ready to move quickly in response to your remediation and restoration needs, whenever they occur.

SERVICES

LEAK DETECTION

Fast service and same-day scheduling. Specialized equipment for safely finding leaks anywhere in a home or building.

ASBESTOS & LEAD ABATEMENT

With our certified asbestos specialists should be your first call in assessing the severity of your asbestos problem and taking the right steps to restore your safety and peace of mind.

ENVIRONMENTAL

Our certified experts assess your environmental hazard, determine the root cause, neutralize the damage, and fully clean and repair your property.

WATER DAMAGE

With over 25 years of experience in environmental cleanup in California and the surrounding areas, All County has the tools and experts to help repair water damage and eliminate any possible contamination from mold.

FIRE AND SMOKE DAMAGE

The unique damage caused by smoke can make your losses increase dramatically. What you need is a company that can assess the full extent of your damage and loss, and knows how to fix it.

CONTENTS RESTORATION

Superior cleaning processes and the latest technologies, like ultrasound and Hydroxyls, ensure the most effective and efficient process available, allowing us to restore your sentimental items. For more info visit www.allcountycontents.com

MOLD & MILDEW TREATMENT

Fighting the growth of mold and mildew is a common problem—especially due to mold's proclivity for hiding in dark, inaccessible spaces. We specialize in mold and mildew cleanup and restoration.

24/7 EMERGENCY SERVICES

From fire and smoke to water damage, we have the know-how and expertise to start with immediate cleanup and restoration plans.

RECONSTRUCTION

We have the experience to help restore your property to its pre-loss state as quickly and efficiently as possible.

GENERAL CONSTRUCTION

Though All County specializes in insurance restoration and remodeling, we have the skills and experience to take on any construction project, no matter how complex.

WE VALUE OUR CUSTOMER'S FEEDBACK

If I could've given them anything higher than a 10, I would have. These guys were outstanding and the craftsmanship and quality and productivity is the best I've ever seen. Throughout their workday and at the end of every day they kept the place clean. They were a pleasure to work with and I would recommend them to anybody anytime.

K Phillips, 8/19/2020

We were extremely happy with the quality of work they had done. They listen and took care of my concerns and explained everything they were going to do each day. I would use them again and refer them to any of my friends or family. They were very nice and professional.

D Madden 7/2/2020

All County professionally handled my water leak. I will recommend them to anyone that is in need of home repair. The workers take pride in their work and are very reliable and always on time. Great company that stands by their work and calls to make sure everything was going well. Very satisfied customer!

Juanita T, 8/20/2019
