

Your One-Stop HOA Vendor

Roofworks & Construction provides a wide range of services to common interest developments and homeowner associations. Our skilled technicians can also handle all repairs to any type of interior damage. One call does it all!

Dedicated to serving the needs of homeowner associations and property managers since 1996, Roofworks & Construction provides regular maintenance to over 600 HOAs throughout the greater Bay Area.

Roofworks & Construction delivers clear communication regarding the projects, respects the residents and HOA rules, and runs a safe and clean work environment.
