Solutions to streamline collections and manage cash flow

Homeowners Association Services are provided by Union Bank product solutions, and powered by our proprietary Smartstreet technology. Together, they deliver fully integrated banking solutions exclusively for management companies and community associations nationwide. Our focus on association banking enables us to better understand the challenges and demands of collecting and managing your association's funds. Our suite of products and services are designed with one thing in mind—to help you streamline your collections and manage cash flow.

About us

As a nationwide leader in homeowner association banking, we've spent over two decades building long-term partnerships with management companies and the communities they manage. Our innovative products and services, customized to support your operations, are backed by the size, strength, and stability of a world-class financial institution. We give you the close attention you'd expect from a neighborhood bank and work with you to help optimize your banking relationship to meet your business needs and goals.

With a consistent and disciplined banking philosophy, Union Bank is uniquely positioned to help your business succeed.

- Asset quality superior to peer banks
- Solid investment grade credit ratings at each of the three major rating agencies
- Strongly capitalized compared to peers; all regulatory capital ratios far exceeding "well capitalized" thresholds

MUFG Union Bank, N.A., is a member of Mitsubishi UFJ Financial Group (MUFG), one of the world's largest financial groups.
