

## OUR TEAM

### CHRISTIAN BLUMEL

*President and Founder  
Zircon Pest Solutions*

Christian, a Los Angeles native, began his career in the pest control industry in 2012 while completing his bachelor's degree at Arizona State University. During this time he worked for larger pest control companies specializing in door to doors sales and consulting. After completing his degree in 2015, Christian developed a full-service commercial pest control company specializing in multi-family apartment communities and large commercial properties throughout the Phoenix area. After four years Christian sold his Arizona based company, Bellator Pest Control, and made his way back to Los Angeles to begin Zircon Pest Solutions also specializing in multi-family apartments, HOA's and commercial properties.

AT ZIRCON, WE BELIEVE IN HELPING BUSINESSES PROTECT THEIR REPUTATION THROUGH EFFECTIVE, CUSTOMIZED AND PROFESSIONAL PEST MANAGEMENT.

### BLAKE BORLAND

*Business Development  
Manager*

A Los Angeles native, Blake has spent many years providing exemplary professional service with Four Seasons Landscape and Property Services, one of the top commercial landscape companies in Southern California. After attending Oklahoma State University, Blake was offered a position with Four Seasons and quickly developed superior commercial relationships in the area of landscape maintenance and installation divisions. As a certified Arborist and a portfolio of over 100 luxury apartments and various commercial properties throughout Los Angeles, Blake's experience and high level of customer service in the commercial market has brought significant value to Zircon Pest Solutions.

AS A SERVICE-BASED BUSINESS, WE STRIVE TO PROVIDE IMMEDIATE AND EFFICIENT SOLUTIONS FOR ALL PEST CONTROL NEEDS.
