

G-CASE is proud to present
TRAUMA 101 /BRAIN 101

A Full Day Drive-In Conference

Tuesday, February 5, 2019 OR

Wednesday, February 6, 2019

**Houston County Annex Auditorium, 1600 Macon Road, Suite A,
Perry, Georgia 31069**

Mental Health issues are serious concerns in our schools that affect the learning and the emotional well-being of our students every day. Participants in this **G-CASE Drive-In Conference** will receive basic training about the impact of trauma on the development and behavior of children. Professionals from all disciplines (special educators, counselors, school social workers, psychologists, school-level administrators, Family Connection, etc.) are invited to attend.

Agenda:

7:45-8:25 Registration

8:30-11:30 Trauma 101 for School Professionals

You will receive foundational knowledge about child trauma and child traumatic stress. You will learn about promoting resilience among children who have been impacted by trauma, as well as tips and strategies to help your students cope with trauma at school.

11:30-12:30 Catered Lunch

12:30-4:00 Brain 101: Understanding the Impact of Trauma on Brain Development

You will receive foundational knowledge about how adversity and trauma can impact brain development, and thus, learning. You will learn how to establish trusting and supportive relationships with students to impact their resiliency.
