

Fair Labor Association College or University Member Registration Form

Thank you for your interest in becoming a member of the Fair Labor Association. Nearly 140 colleges and universities have joined the FLA to demonstrate their commitment to improving working conditions around the world. You can read more about the value and benefits of FLA University Caucus membership [here](#), and you can see a list of current members [here](#).

FLA University Caucus membership dues are based on licensing revenues, so the registration form includes questions about your licensing program. All revenue information will be kept confidential. As a reminder, here is the dues table:

Gross Licensing Royalties	FLA Annual Dues
\$0.00 - \$9,999.99	\$250
\$10,000.00 - \$100,000.00	\$1,000
\$100,000.01 - \$5,000,000.00	1% of Gross Licensing Royalties
Greater than \$5,000,000.00	\$50,000

Please submit your completed registration form or any questions to Danielle Roberts, FLA Collegiate Programs Director at droberts@fairlabor.org.

Upon receipt of your registration form, we will be in touch to provide an invoice and further onboarding guidance. We look forward to working with you!
